

SSM InfoTech Solutions Pvt. Ltd.

An ISO 9001:2015 Certified Company.

SSM at a Glance

Serving Automation Industry for **more than 22 Years**

OEM : Our **own IP** (X-Force)
20+ Automation Software Products

Exclusive System Integrator of :

- Automation
- Software
- IT / OT Technology

VALUE PROPOSITION

Comprehensive Modular Platform

End-to-End Turnkey Solutions

Strong Domain Expertise (SME)

In-house System Integration & Dev. Capabilities

Delivery Excellence

Robust Implementation Frameworks

Partners Eco System

Executed **50+ Turnkey Projects** for Automation & Real-time C&C

>200 Satisfied Customer
>250 Employees
>5000 Lacs Turnover

Excellent **Value Delivery & Partner Eco System** thru **Global Presence**

Company
Establishment

First WW System Integrator in India

Registered Our Own IP for **AIMS**

System Integrator Partner of **Schneider Electric** for Automation Solutions in Process Industry

Distributor for Schneider Electric (Aveva)

Commissioned biggest **UoC Platform for F&G with Integration of 1M Tag** in Asia Pacific

Delivered CCC Platform for **more than 2 Lac devices** for largest Telecom Company

Commissioned Operations Centre for largest Gas Distribution Company

Implementing CCC platform in Global Process Company

CMMI Level 3 Certification.
Implementation of ELogBook for IOCL Pipeline.

UoC for Smart City & Renewable Energy Company, Petrochemical Complex

Certificate of Partnership

This acknowledges

SSM Info Tech Solutions Pvt. Ltd.

is an authorised AVEVA Distributor for the following portfolio(s)

- Perform
- Operate

and is certified for the following

- Training Provider
- Support Provider

Kerry Grimes
Head of Global Partners, AVEVA

Steve Lewame
Head of Global Channels, AVEVA

Our Association with AVEVA

- Authorised Distributor of AVEVA for M&C, APM
- Longest serving Associate Partner
- Commissioned first ever Wonderware SCADA in India
- More than **4500** licenses sold
- More Than 30 Dedicated System Integrators present all over the India as partner eco system
- 70+ Certified Developers for Aveva Products
- 24 hrs Dedicated Technical Support Team
- Only AVEVA Certified Training Provider site in India

Total Integrated Solution by SSM Infotech

Industrial Automation
Complete integration from L0 to L4. Integration between control system components, communication protocols, multiple OT network.

Industrial Software

Solutions for operations, maintenance, safety and management. Providing benefits to plant level operator and enterprise level management.

Industrial IT

Network management, Cybersecurity compliances, facility management services, IT / OT integration.

SSM Infotech Presence in India.

 **SSM Infotech Presence**

What we do...

Industrial Software

X-Force DOW

Digitize your manual process of data entry, information exchange and data management in operations, maintenance & HSE activities

X-Force Alarm Information Management System

A stand-alone system on top of your existing DCS system with smart tools to manage, monitor and effectively analyze the alarms in your control system

X-Force Document Management System

Web based system used to track, manage and store documents; capable of keeping a record of the various activities done by different users

X-Force Solutions

Our in-house developed industrial software portfolio with proven record in industries.

X-Force Energy & Utility Management System

Provides centralized monitoring of electricity and other utilities (WAGES) that leads to savings in the overall cost and time

X-Force UHN

Time series-based historian with advanced analytics tools and special algorithms for fast data capture and retrieval

X-Force Calibration Management System

A comprehensive tool to plan, act and manage the plant wide calibrations and maintenance activities.

What we do...

Industrial Software

AVEVA Monitoring & Control Portfolio

AVEVA InTouch HMI
AVEVA System Platform
AVEVA Historian / OSI PI
AVEVA InTouch Edge HMI
AVEVA Work Task
AVEVA Intelligence
AVEVA Batch Management
AVEVA MES

AVEVA Asset Performance Management Portfolio

AVEVA Predictive Asset Analytics
AVEVA Discreet Lean Management
AVEVA InSight

AVEVA Unified Operations Center

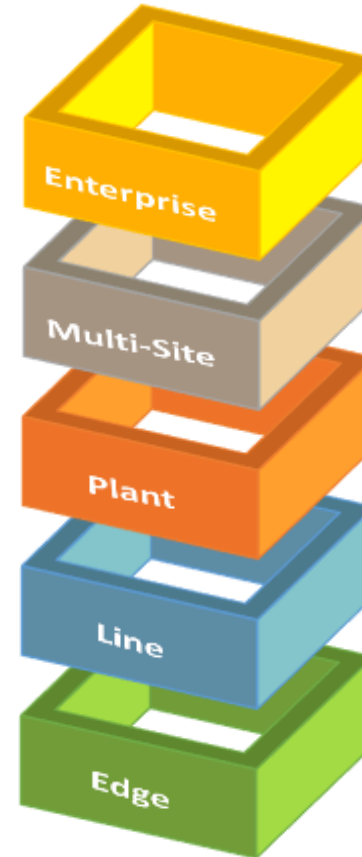

Foundation for real-time operational performance management for closed-loop collaboration and execution

AVEVA InTouch

Used in one-third of industrial facilities world-wide; remote web-based browser support.

AVEVA Edge IoT

Linux-based edge management IIOT and cloud ready

AVEVA System Platform

Responsive, OMI visualization; enables enterprise wide standardization

AVEVA Edge

Small footprint , full-featured HMI for embedded and OEM application

AVEVA Edge to Enterprise Solution

AVEVA
Distributor

What we do...

Industrial Automation

Sales:

PLC, Spare, VFD, energy meters, industrial HMI, switch gears, control panels etc.

Projects:

Turnkey automation projects,
Greenfield / Brownfield projects
Integrated solution from level 0 to level 4 automation

Support:

AMC Contracts, After sales warranty and remote support

What we do...

Industrial IT

Cyber security solutions

Firewall solutions, DMZ implementations

IT / OT convergence solutions

Whitelisting solutions

Fault Tolerant solutions

Quick Heal
Security Simplified
